DETAILED ACTION

Allowable Subject Matter

Claims 11-12, 14-21, 23 and 46-48 are allowed.

The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims is the inclusion of the limitation "a second dielectric layer disposed in said opening between said conductive feature" in all the claims which is not found in the prior art references. See also Applicant's Remarks filed 11/7/2006.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
